What [Merelyn Gomez](#) likes about Burger King:

All I can say, I haven't had my whopper taste this good, in a long time. I usually go to the Lawrence Ave West and Dufferin St location. And their burgers ? have been off for a while, including their service. But this location, is amazing! [read more](#). The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physical limitations, and there is complimentary WLAN. If the weather conditions are right, you can also be

served outside. What [User](#) doesn't like about Burger King:

If you're craving for some fiery South American culinary arts, this is the place to be: tasty meals, cooked with fish, seafood delicacies, and meat, but also *corn, beans, and potatoes* are on the menu, Moreover, the delicious desserts of the house shine not only on children's plates and in children's eyes. Most often, the **burgers of this place**, which are among the highlights, are offered along with sides like french fries, leaf and cabbage salads or wedges, and you can try tasty American menus like **Burger or Barbecue**.
