I stayed in [Rimbey](#) for an extended period of time while working in the area, and Rogers quickly became my go to place for dinner. I had their pizza a few times and was never disappointed. Also had their Deluxe Lasagna a number of times and it was also amazing. They were usually fairly busy, which is a testament of their food. Very friendly staff, fair prices, and would highly recommend eating there. [read more](#). second round to try a donair, and I really need to change this time. it's not bad, but it's still really not great. this needs a lot more love and carefree during construction. it was loosely wrapped, and really no salate in it. it just felt so banged and that was the previous time the case. I want to support my local little driveway, but they really need to show that they are worth driving somewhere else. [read more](#).
