What [User](#) likes about The Lefse House: Great food and service. They can't seem to do enough for you, the staff is so attentive. Portions are large so I ordered the smaller portion which was still a very generous serving. As the weather was hot, they could have used a couple of fans as they don't appear to have air conditioning. [read more](#). You can use the WiFi of the place free of charge, Depending on the weather, you can also sit outside and have something. The rooms on site are accessible, and therefore no problem for clientele with wheelchairs or physiological disabilities. The Lefse House is popular for its traditional Canadian meals, which are prepared with ingredients typical of the country, here they serve a appetizing brunch in the morning. If you'd like something sweet for dessert, The Lefse House does not disappoint with its good *selection of desserts*, Besides the yummy sandwiches, small salads and other snacks also make a good snack.
