I had a flight of four varieties of beer that they make on premises and they were all very good. I had the hamburger for lunch and it was very good. Our table of 6 were all happy with their lunches. The server was fantastic! She explained all about each of the beers that they had. There is also a store next door to buy their hats and shirts and things. read more. The restaurant also offers the possibility to sit outside and be served in beautiful weather. What User doesn't like about Outlaw Brew Co Inc:

Staff are attentive and their microbrews are on tap. Always a seasonal too. But in off season there is no pattern to when they are open and if there is a private function it will be closed. So inconsistent that I stopped going for now. Food is average pub grub. Worth a visit for their brews in the summer. read more.
