I have been here numerous times for dates, family, friends, solo, and late night bar. Every occasion has been a good experience. Medium-high quality food. I find it is best for pub food even though it has a huge variety on the menu. [read more](#). As a guest, you can use the WiFi of the restaurant free of charge, And into the accessible spaces also come guests with wheelchairs or physiological disabilities. If the weather conditions are right, you can also be served outside. What [User](#) doesn't like about Frosty John's Pub:

my experience here could have been much better if it hadn't been for the waitress who seemed to tear us up before we even sat down. I've never been asked before if I was ready for the bill so often. we would have ordered more food and drink in this restaurant full of empty tables, but after the waitress repeatedly asked to bring the bill, we have the picture that we were not welcome. while eating and drinking were gr...
