You can use the WLAN of the place free of charge, Depending on the weather, you can also sit outside and eat and drink. What [Brenda Meshoulam](#) doesn't like about The Gallery Cafe:

Be careful when you pay, they select the tip option for you, so unless you know exactly how much your bill is (which is hard since they have different prices on the menu vs the screen) they will add a 15% tip. No wonder the girl got nervous when I asked for my receipt... deceitful employees. Cherry on top is there is not even service. Food was OK. Would not go back. [read more](#). The Gallery Cafe from Aurora is a snug café, where you can enjoy a snack or cake with a *hot coffee* or a *hot chocolate*, and you may look forward to the fine classic seafood cuisine.
