Attended a wedding at this facility. The service was exception even providing a shuttle service to and from our hotel in Brantford. The food was great and the presentation was above average. I highly recommend this place. [read more](#). When the weather is good you can also eat and drink outside, and there is complimentary WiFi. The rooms on site are accessible, and therefore no problem for visitors with wheelchairs or physiological disabilities.

What [User](#) doesn't like about Bistro at Marquis Gardens:

They have really great prices for lunch and take out dinners on Friday night (order ahead). We had the beef prime rib with roasted potatoes and vegetables. The meat was tough (and a bit fatty), after following the directions on the box...and also still cold. Veggies and potatoes were delicious. We would order again to try something different because maybe it was just an off day/cut of meat. [read more](#). This **Bistro** is small yet refined and captures attention not just with its ambiance, but also with its offer of typical, delectable meals at typically affordable prices, Likewise, the visitors of the establishment prefer the comprehensive selection of differing **coffee and tea specialities** that the restaurant provides. With fresh fish, meat, as well as beans and rice, here they also South American grill, and you can indulge in delicious American dishes like Burger or Barbecue.
