Here you can find the [menu](#) of Mount Everest in Ajax. At the moment, there are 21 dishes and drinks on the food list. You can inquire about seasonal or weekly deals via phone. What [User](#) likes about Mount Everest: Best Indian food in Durham. Love everything they make. They have a new owner but the food is still great. We can only hope the new owners keep up the top quality ingredients and fantastic prep work of the original. [read more](#). In nice weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Mount Everest:

Decided to revisit a local eatery for a ethnic change. The buffet has many food items to pick from. They all appeared to be resonably fresh - not sitting there for hours. Items that I ate were very flavourful. Looking forward to returning to this long time Ajax establishment. [read more](#). Mount Everest in Ajax offers freshly prepared delicious meals with original **Indian spices** and sides like **rice or naan**, and you may look forward to the scrumptious classic [seafood](#) cuisine. If you'd like something dessert to finish off, Mount Everest does not disappoint with its good selection of desserts, delicious [vegetarian](#) dishes are also on the menu available.
