Favorite local establishment. A wide selection of coffee's, teas, baked goodies and sandwiches, soups. Always seems to be buzzing, and the staff are great. Best of all for me as a tea drinker is the fact that their hot water is actually HOT not just tepid like the majority of coffee places and restaurants. My favorite is their Raspberry/Pecan muffin, it is so moist inside with a crunchy top with toasted pecans, love it. [read more](#). Stopped in for a quick coffee. Ordered Caramel latte and although not strong (how I like it) it had very little flavour and way too hot to drink. I ordered carrot cake to go and to be honest it was dry and burnt on the bottom and over priced for what it was. My partner ordered an eggs benedict wrap and he thought it was pretty tasty. Staff not welcoming nor very friendly or approachable. Won't be stopping by again. [read more](#).
