I really like this restaurant. Best in Rocky! The food is made well and is so tasty. The price is decent for the quality of food. It is truly on par with higher end restaurants. [read more](#). When the weather is nice you can also have something outside, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. WiFi is available free of charge. What [User](#) doesn't like about *Cucina*:

The food was good 5/5 but the experience is not as good as it should be. The first thing we noticed when we came in was the staff's masks are just covering their chins. Some of them don't wear mask at all. It was surprising. They only cover their faces when they go to the tables. I think you should wear mask properly especially when the work space limited. Ambience 3/5. The songs/ music does not match the place too.... [read more](#). In *Cucina*, a restaurant with Italian menus from [Rocky Mountain House](#), you can expect **typical Italian cuisine**, including classics like pizza and pasta, Don't miss the chance to eat the tasty [pizza](#), prepared straight out from the oven in an original way. Not to forget are the traditional **Korean dishes** like Kimchi, Bap and also Jjigae, which have a fixed place on the menu card and also on the tables of the customers, and you may look forward to the tasty typical [seafood](#) cuisine.
