Found this little gem by accident and very happy I did. The Ontario mushroom soup was delicious as was the cannelloni made with homemade pasta. The service was a bit slow but extremely friendly. I would definitely go back if I was in the area. [read more](#). The restaurant also offers the possibility to sit outside and eat in nice weather, and there is free WiFi. The rooms on site are accessible, and therefore no problem for guests with wheelchairs or physical limitations. What [User](#) doesn't like about Risposta Bistro:

Service was outstanding, food was very good and music was awful. Overall this was a four star experience. We had the pizza, calamari (highlight) and trout special. Everything was cooked well and served hot. I found that the kidney bean salad was a strange accompaniment to trout but was tasty. The music was loud and a little odd.

Staff was fabulous. Beer and wine were expensive. Overall a good experience. [read more](#).
