Table's menu is compact but adequate. We both had their burgers, which were accompanied by fries for me but a salad for my gluten free husband. His gluten free roll was surprisingly good and didn't crumble as many do. Our server was aware of items which could be modified to be gluten free and was very helpful in making choices. The burgers were tender and delicious. We would recommend Table for dinner but BREAKFAST i... [read more](#).

In nice weather you can even have something in the outdoor area, And into the accessible spaces also come clientele with wheelchairs or physiological disabilities. WiFi is available free of charge. What [ponchodeanda](#) doesn't like about Table:

If your staying at the hotel PUR like me and you just don't want to endeavour in the adventure of looking for a place to eat that night, then this is a good option for you. There's. I thing extraordinary about this place, average food with a good service and overrated prices. [read more](#). At Table in Québec, there's a **diverse brunch** in the morning where you can eat as much as you want treat yourself, the menu also includes fine [vegetarian](#) menus.

In this restaurant there is also an comprehensive variety of **coffee and tea specialties** not to forget, You can also look forward to the typical fine French cuisine.
