[User](#) doesn't like about Aree Thai Restaurant:

I order takeout from here monthly - so close, decent food, no wait, other nearby thai are similarly priced but much busier. Almost no foot traffic; can't see how they survive. Menu sees no changes or creativity, but kind service.

Location is killing this place, not the food. Go here for a quiet, no-wait, basic Thai dinner. Not romantic or particularly kid-friendly ambience. [read more](#).
