What [User](#) likes about Alpine Grind:

My wife and I are in [Rossland](#) visiting our daughter and I've had breakfast at the Alpine Grind 3 out of 4 mornings. Good coffee and healthy food, and one can people-watch from inside or outside on the street level patio. Hot as heck around here these days so I've stayed cool inside. You should try the Alpine Grind. [read more.](#)

As a guest, you can use the WiFi of the establishment at no extra cost, Depending on the weather conditions, you can also sit outside and be served. The premises on site are accessible, and therefore no problem for guests with wheelchairs or physiological limitations. What [User](#) doesn't like about Alpine Grind:

My one friend will only go here for the coffee. I agree the coffee is very good. However, today I had friends from out of town and we thought we would have some soup. Very disappointing. Tomato soup appeared to be only a can of crushed tomatoes warmed up with some parmesan cheese mixed in. The vegetable soup was not much better. I expected better. Will be back for coffee but only coffee.
