We came here last Friday evening for dinner and stayed for a few drinks afterwards. We ordered about ten different dishes and they were ALL amazing. The goat shawarma is definitely a favourite and the tater tot poutine! It's fun trying so many different dishes. The service was outstanding, we could not need for a thing. The gentleman who was our waiter went above and beyond, what a gem. We'll be back for sure! Thanks... read more. In nice weather you can even have something in the outdoor area, And into the accessible rooms also come customers with wheelchairs or physical disabilities. WiFi is available free of charge. What User doesn't like about Black Sheep Snack Bar:

12 oz pours being past off as pints. This isn't about having an off day, a snotty server or the food taking too long. This is blatant dishonesty. (16 oz or US pints being posted on their board.) Enjoy a little bit of this and a little bit of everything at the eatery, known for its well-known Tapas, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. You can also look forward to fine vegetarian cuisine, The **barbecued food** is freshly **prepared** here on an open flame.
