If you are starving, Tacofino is a perfect stop! Many types of tacos and burritos are on offer and vegetarians will have no problem finding something they can eat! [read more](#). In pleasant weather you can even eat and drink in the outdoor area, And into the accessible spaces also come clientele with wheelchairs or physical limitations.

What [User](#) doesn't like about Tacofino Victoria:

The burrito was large, but lacked seasoning. The beans and other fillings tasted quite bland. The pork was overly salty. This place is a hole in the wall. It's impossible to get a seat here and it's chaotic to place your order. There seems to be some safe food handling issues with this place! They don't seem to appreciate their customers! Don't waste your money here - not recommended. [read more](#). Look forward to the **diverse, fine Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), the menu also includes tasty vegetarian dishes.

Courses are usually prepared quickly for you and brought to the table, and you can look forward to the fine classic seafood cuisine.
