What [User](#) doesn't like about Royal Haveli:

We ate at the restaurant on June 15 2017. The Samosa's (appetizer) was good but the Tandoori Chicken was over cooked and dry. We also had the "Green Salad" which was mostly yellow lettuce. It was topped with a bit of red cabbage and what looked like the scapes I throw away when I peel carrots. We also had the garlic Naan bread which was dry and tasteless. I don't think we will go there again. [read more](#).
