What [User](#) likes about Wow! Shwarma:

I think the best part about going here is supporting a local small business. The owner is great, very friendly and often actually gives me free fries. The food is tasty and at a very fair price. The above title is being generous. The place got sold at some point, I'm not sure when. I used to go there on the regular, I don't go there at all anymore. The new owners literally have no clue what they hell they are doing and they take forever to do anything. Meat is dried out and the way that they served the last one to me I feel like they don't understand how to properly handle food because they were chopping up... [read more](#). At Wow! Shwarma in London, there are scrumptious Greek cuisines like **Gyros, Souvlaki and Seafood**, accompanied with sides like rice, salad with feta cheese, Pita bread and Tzatziki served, visitors repeatedly praise the scrumptious, light flatbread that can be dipped into the self-made hummus or a yoghurt dip; the exciting combination of figs and goat cheese is among the highlights from the diverse culinary landscape of the **Middle East**. Furthermore, there are light *Mediterranean menus* on the menu, The dishes are usually prepared for you in the shortest time and fresh.
