What [User](#) doesn't like about Wendy's: I remember when that was the first in town many years ago. It went through a great renovation in recent years, but the food quality is appalling. POS didn't work in Drivethru, so it had to go in. The pop machine doesn't seem to have worked, no ice and flat lukewarm pop. The food was nothing to be proud of. Most were thrown out when it was cold. [read more](#). Wendy's from Hamilton is popular for its tasty burgers, to which crispy fries, salads and other sides are served. In the morning they serve a varied breakfast here. Visitors of the Wendy's like the varied **Canadian** dishes, Generally, the dishes are prepared **in a short time and fresh** for you.
