What [User](#) likes about Sana Grill:

I have been hankering for shawarma for ages, and forgot my old friends in Hamilton Ontario. The places in the Niagara Region should take advice from how these shawarmas are made; 100% tasty and very filling. You will need a lot of napkins as they are literally overflowing with goodness. It's worth the trek to the hammer just for this place. [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or

physiological disabilities. What [User](#) doesn't like about Sana Grill:

We never had to try the food, the owner accused us in the parking lot when we got out and was badly laughed, so he went to the [Mexican](#) place next door. While we were waiting for our food, we saw that he chased away three other people in the same mansion. Enjoy some [Mexican](#) food at Maria's next to this place. [read more](#).
