Let's start by saying: I love going to Work for dinner. Food is great. I come here regularly. My one problem with the place is: when they clean the floors, they must not dilute the chemicals. The heavy fumes are so bad it gives me a terrible, instant headache. On these days, I can't even walk in the door. Start diluting your chemicals guys....the fumes from undiluted chemicals is really really bad for you and your cu... [read more](#). When the weather conditions is pleasant you can also eat outside. What [User](#) doesn't like about Work:

I only came here once to try the ramen but I would say that calling what I had ramen isn't exactly fair. It's a good noodle soup and the pork belly in the dish was excellent. the avocado fries that we had to take away were very tasty and interesting having not had something like this before. I'd be happy to visit again as the bar was very cool and I would like to try some of their other stuff! [read more](#). If you're craving for some **tasty South American culinary arts**, this is the place to be: delightful dishes, roasted with fish, [seafood](#) delicacies, and meat, but also **corn, beans, and potatoes** are in the menu, At the bar, you can relax with a cool beer or other alcoholic and non-alcoholic drinks. Look forward to the enjoyment of *fine* [vegetarian](#) dishes, Moreover, the drinks menu of this gastropub offers a good and especially comprehensive variety of beers from the region and the world that are definitely worth a try.
