Just eating and drinking is too ordinary for you? Then a visit to this *sports bar* is just right: in addition to small snacks and meals you can watch the latest football matches, tennis or Formula 1, It shows that the original Canadian dishes are well received by the visitors of the restaurant. **The menus are prepared according to authentic Asian style**, The inventive fusion of different meals with fresh and partially daring ingredients is highly valued by the guests - a nice example of Asian Fusion.
