Had a quick lunch at Sake Maki with our daughter and grand-daughter. Sushi was fresh, nicely prepared and service prompt. Our first time but our daughters go to for sushi on the drive. Cool interior with lots of tables and bench seating for larger groups. Our 16 month grand-daughter especially likes the California rolls and the agedashi tofu. The owner also does home delivery. read more. What User doesn't like about Sake Maki:

Commercial Drive has more than enough sushi joints; but this one has some of the best selections. The room itself is a bit run down, service is curt, but the food is good value. Nice selection of sashimi, rolls, and cones. Fairly creative and the best on the drive. read more.
