The place from Vancouver offers **243** different *menus and drinks* on [the menu](#) at an average price of CA\$8. What [User](#) likes about Ogenki Sushi:

Ogenki is our 'go to' inexpensive sushi and ramen place. We've been going for years so they know us and know what we order. Family owned and operated, quick, inexpensive and friendly. Cheap beer and I love the Dragon Role and the Tuna Belly but the kids like the Chicken Udon soup, Chicken Karaage and Gyozas. [read more.](#)

What [User](#) doesn't like about Ogenki Sushi:

Ogenki is fast friendly sushi at a decent price. Lately the quality seems to have slipped, though, with very greasy tempura and lukewarm hot dishes becoming more common. They are usually busy and are conveniently located on Main St. Good menu selection. But I have not been satisfied on my last few visits, so it is time to try Dream Sushi across the street. [read more.](#) If you want to spoil your palate with a bit of culinary flair, this is the place to

be: The imaginative Asian fusion cuisine of the Ogenki Sushi from Vancouver - a delicious combination of traditional and the unexpected, on the menu there are also a lot of Asian menus. Of course, there's also crisply crunchy pizza, baked straight from the oven according to original recipes, By availing of the **catering service** from Ogenki Sushi in Vancouver, the menus can be obtained at home or at the celebration.
