What [User](#) doesn't like about Addy's:

Visited Addy's for lunch, we had beef shawarma wraps, hummus and kebbe. The shawarma wraps were good they warm the wrap that crisps the pita which was nice. The hummus seemed a bit watered down and the pitas that came with it were a bit...chewy. We'd need had kebbe before but it wasn't bad my fiancé said he found it too gritty and wasn't a fan, I didn't mind it. It was alright I don't foresee going back though. [read more](#). At Addy's from Red Deer it's possible to *savor delicious vegetarian courses*, that were made without any animal meat or fish, Easily digestible **Mediterranean courses** are also on the menu. If you're still pondering, let the smell of freshly baked flatbread or the delicious, sticky temptation of fresh baklava convince you - the Middle East is without a doubt closer than you think, Also, you shouldn't miss out on the crispy and crunchy [pizza](#), traditional freshly baked in a wood oven.
