What [User](#) likes about Queen's Diner:

Found this diner on Trip Advisor. I feel it should have a higher rating. They have daily specials besides their usual menu items. I had the turkey soup with barley and it was probably the best soup that I have had in a restaurant. It had spices that you would put in a bread dressing (maybe sage) and to die for. Also had the chicken burger, a real chicken breast and lots of choices for additions like sautéed mushrooms... [read more](#). In pleasant weather you can even eat in the outdoor area. What [User](#) doesn't like about Queen's Diner:

Its family friendly atmosphere is compromised somewhat by the glory holes in the bathroom, but with its decent fries, cute retro atmosphere, and relatively affordable pricing, Queen's Diner is one Red Deer restaurant that is definitely worth checking out! [read more](#). A visit to Queen's Diner is particularly valuable due to the extensive selection of coffee and tea specialties, and you have the opportunity to try tasty American meals like Burger or Barbecue. Furthermore, they offer you fine seafood menus, They also present scrumptious **South American** meals to you on the menu.
