Located across from Concordia Hospital, Ki Sushi offers decent sushi options with combination plates for easy decision-making. Service can be slow during peak times, but the friendly owners make up for it. On the downside, some find the rolls too large and poorly constructed, lacking in flavor combinations. However, others rave about the generous portions of sashimi and delicious house rolls. Overall, Ki Sushi is a nice family-run spot with great takeout options, but has received mixed reviews on the quality of its sushi.
