A comprehensive [menu](#) of Sushi Home from Vancouver covering all 25 meals and drinks can be found here on the food list. Located in downtown, Sushi Home offers affordable and quick sushi options, although the quality may not be exceptional. While the service is friendly, some experiences were tainted by a rude request for tips.

The small space and close tables may not be ideal for everyone, but the food, especially the nigiri sushi, has received positive feedback. In conclusion, Sushi Home is a budget-friendly option for a quick sushi fix in the heart of downtown, but don't expect top-notch quality or an overly luxurious dining experience.
