What User likes about Zabu Chicken: My favourite was the soy flavoured chicken. Next time I will splurge for the boneless! Drinks were good too, we had yogurt soju! It doesn't even taste like alcohol. [read more](#). When the weather is good you can also eat outside, and there is free WiFi. What User doesn't like about Zabu Chicken: Portions are extremely small, and way too expensive for what you get. There are so many other Korean places around this area where you can get twice as much food for a decent price! The servers have terrible and rude attitude towards customers, before we even finished our meal, they gave us the bill. Do NOT recommend this place and will never go back. [read more](#). A selection of delicious seafood dishes is offered by the Zabu Chicken from Vancouver, Besides, the successful blend of different dishes with new and partially adventurous products is appreciated by the visitors - a good case of Asian Fusion. Korean meals like Kimchi, Bap and Jjigae, which are traditional, always find their way onto the menu and the tables of the customers, On the menu there are also several Asian menus.
