If the weather conditions are right, you can also have something to eat outside. What [User](#) doesn't like about The Den:

They have great deals for lunch everyday. The burger combo for \$10 is amazing, wouldn't suggest anything else though because it's really not that special. If you are getting lunch with a whole bunch of friends and you are getting so bored of the food in the food court, I guess Den is not a bad choice (for eating environment). [read more](#).
