What [User](#) likes about Haisai:

Small menu but absolutely delicious. Pizzas made with toppings pulled right right from the garden and with Eigensinn speck. Grab some treats from the bakery while you're there. [read more](#). When the weather is good you can also eat and drink outside. What [User](#) doesn't like about Haisai:

The building itself is fabulous and worth a stop - everywhere you turn there is a new construction/decor feature to admire. Lunch service was terrific. The food was tasty, but not so exceptional to deserve the prices being charged (good food, but not mind-blowing). We shared 3 dishes and they all tasted pretty much the same.

Expensive. [read more](#). Enjoy a little bit of this and a little bit of everything at the restaurant, known for its appreciated **Tapas**, The versatile **Canadian meals** are a hit among the guests of the establishment. You can still relax at the bar after the meal (or during it) and enjoy a *alcoholic or non-alcoholic drink*, There are also oven-warm pastries, complemented by a variety of cold and hot beverages.
