This is one of those restaurants that you might never consider trying because it's located in a old/run down looking strip mall. It is fairly small in size, not heavily decorated, but it's very cozy inside, and the chef is Japanese. They serve not only [sushi](#), but also Japanese traditional dishes. The food quality is good, and I really enjoy this place. [read more](#). As a visitor, you can use the WiFi of the place at no extra cost. What [User](#) doesn't like about Japanese Cuisine Daruma:

Daruma aims to provide traditional authentic Japanese food in a smaller restaurant in a strip mall location. Not being Japanese I can't tell if it was authentic, but the dishes we tried were interesting and tasty and like all Japanese food, small. We tried a number of tapas including the baked oysters and beef tataki, and a variety of [Sushi](#), which were all good. Prices were comparable to what you'd pay at other simil... [read more](#). Japanese Cuisine Daruma The **brilliant Asian fusion cuisine** will thrill you, the perfect balance of familiar flavors and exciting new creations will amaze!, and a lot of fresh vegetables, fish and meat are used to prepare [healthy Japanese menus](#). The preparation of the menus is done authentically Asian, Particularly with the bite-sized [Tapas](#), you can't absolutely nothing wrong, because there is something for all tastes.
