What [User](#) likes about Steep's Grill:

Steeps is a fine dining establishment serving good food on the mountain. The serving staff are marvellous and always friendly and we will always visit at least once during our stay in Whistler. Recommended! [read more](#). You can use the WiFi of the place at no extra cost, Depending on the weather, you can also sit outside and have something. What [User](#) doesn't like about Steep's Grill:

On a perfectly awful weather day we decided to have an early lunch at Steeps. We shared a charcuterie plate which was lovely but a little small and I do wish fresh bread was served rather than stale bread that has been toasted within an inch of its life. Then we shared penne Alfredo with chicken and bacon which was lovely. The burgers served to other tables looked great and were served with proper chips rather than the... [read more](#). At Steep's Grill from Whistler, there are **fine sandwiches, healthy salads and other snacks** for quick hunger in between, as well as cold and hot beverages, and you can look forward to the delicious typical seafood cuisine. Moreover, there are delicious American dishes, such as *burgers and grilled meat*, It's worth mentioning that the traditional Canadian meals are well received by the guests of the establishment.
