In a land of overpriced subpar food (Whistler), this was a good find! I was especially happy with their agedashi tofu which was made perfectly. This place was packed both for dining in and taking out. Rolls are small but of great quality. Also has free parking available. [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and be served. What [User](#) doesn't like about Samurai [Sushi](#):

How people can give this place five stars is beyond my imagination. Three? A bit of a stretch, but I can see it. Four? A LOT of a stretch, but well, to each his own. But five, no, please. Place is ugly, people are nice, price is ok, food is awful. Sushi and rolls are supermarket quality at best, sashimi is meh. That's two star to me. Cheap, but as per the title, you get what you pay for. [read more](#). With fresh ingredients like fish, vegetables and meat,

Samurai Sushi from Whistler prepares for you tasty sushi (e.g., Maki and Sashimi) and numerous other variations, Also, the guests of the restaurant love the comprehensive selection of differing coffee and tea specialities that the establishment has to offer. The Asian fusion cuisine is likewise an important part of Samurai [Sushi](#). Anyone who finds the usual and generally known meals too ordinary should approach with a willingness to experiment and try some unexpected combination of ingredients taste, and **healthy Japanese dishes** are being made with lots of freshly harvested vegetables, fish and meat.
