We ate at Milestones several times during our stay in Whistler. It was good as we had hungry teenagers to feed and we found food expensive as the exchange rate was against us. Lovely to sit outside and watch the world go by. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, and there is no-charge WLAN. If the weather are right, you can also eat and drink outside. What [User](#)

doesn't like about Milestones:

No reservation so of course we had to wait for dinner but fortunately not long. Food pretty good- shared starter and a main course each was more than enough to satisfy our appetites as we are still not used to such generous portions. Drink offer fine too. Service attentive. No real character or atmosphere other than from screeching children (if parents cannot control their kids why should others have to put up with t... [read more](#). If you're looking for more thrill than just eating and drinking, you'll find it in this sports bar. Enjoy large and small snacks and meals and watch live football, tennis or Formula 1 games, and you can look forward to the fine typical [seafood](#) cuisine. *The meals are prepared according to authentic Asian style*, You'll find nice South American meals also on the menu.
