The food and service is excellent. The building from the outside doesn't look like much... but this is a clean and homey feeling resto. The Hummus is probably the best we have had and the portions are great. This is our go-to spot weekly for fresh and healthy Lebanese food [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in nice weather. What [User](#) doesn't like about Tarboosh Restaurant:

Staff was very friendly. Timing of the food was good. Tap water was terrible maybe cause I am used to Edmonton water being the best. Food was ok but taking into consideration restaurant is in competitive Mediterranean district I thought it would be better. Chicken kabob could have been cooked more. Overall a nice family setting to go to once in a while. Still convince Edmonton Mediterranean cuisines are much better. [read more](#).
