Good food, but... I called today 11/25/2023 and asked if I could add chicken to gnocchi through Uber eats (I've done it before). I suggested that I add a different item at the same price, since Uber doesn't give the option to add chicken. The young woman said No, we do not do that. And hung up on me lol. What!? They obviously don't need me as a customer. [read more](#).
