[User](#) likes about 900 Degrees:

The [pizza](#) here is definitely good, but 20 dollars for 1 super thin crust pizza is a little rich for my blood. I wish they gave the option to have a regular crust. Plus we thought they were a little cheap with the toppings....especially when paying for the "high end" pizzas. [read more](#). The place also offers the possibility to sit outside and eat and drink in pleasant weather, And into the accessible rooms also come clientele with wheelchairs or physical

disabilities. What [User](#) doesn't like about 900 Degrees:

I visited 900 Degrees on a recent afternoon and ordered a [pizza](#) for take-out. It may be the fact that it was about 3:30 in the afternoon, or perhaps because I was only one of a few patrons at the time. What I do know is that it was absolutely the worst [pizza](#) I have ever tasted. Cheese was almost totally absent, and what remained were a few slices of pepperoni on a base of edible cardboard totally soaked in oil of some...
