Lived in Kits for about 10 years and this was our goto place for [sushi](#). My wife and I ate there at least once a week. It is one of the only places that I can say that you can really taste the prawns in the dynamite rolls. They actually have a lot of flavor. [read more](#). As a visitor, you can use the WiFi of the place at no extra cost, Depending on the weather, you can also sit outside and be served. The premises on site are accessible, and therefore no problem for clientele with wheelchairs or physiological limitations. What [User](#) doesn't like about Jun [Sushi](#) Japanese Restaurant:

Not very lucky with sushi these days it looks like.. Green salad came out of a refrigerator ready made, seaweed salad was ok but very small portion, the spicy tuna rolls had old rice on them, my friends lunch box looked measly at best...Sorry, can't recommend this sushi restaurant either..
