What [User](#) likes about [Brooks](#) Hotel:

Ham and Cheese all the way. Who can go wrong with the best quality of bread and meats. I've never had a bad sandwich here. We come from Medicine Hat for sandwiches regularly. [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations. Depending on the weather, you can also sit outside and be served. What [User](#) doesn't like about Brooks Hotel:

This is one tradition not worth saving. So outdated, now beyond dive bar sheek, just old and gross. Bathrooms are beyond bad. I do like a good Brooks sandwich as much as the next guy but this place needs to be let go. Crowd is your smokey Vlt players. Service is hit and miss. [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious menus from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, The tasty *sandwiches*, small salads and other snacks are also suitable for a snack. After the meal (or during it), you have the opportunity to still relax at the bar with a **alcoholic or non-alcoholic drink**. It shows that the traditional Canadian dishes are well received by the visitors of the local.
