On this website, you can find the **complete menu** of **Almira's** from Okotoks. Currently, there are **23** meals and drinks up for grabs. Almira's Mediterranean Grill in Okotoks offers a mixed dining experience. While some customers have found the food to be lacking in flavor and the service to be subpar, others have raved about the delicious Lebanese dishes made on site and the welcoming staff. The donairs are a popular choice, with generous portions of meat and fresh veggies. The casual atmosphere may not be for everyone, but for those craving Mediterranean cuisine, Almira's is a solid choice. Despite some mixed feedback on pricing, the restaurant has potential for improvement to attract more customers with better deals.
