A complete [menu](#) of Ricky's All Day Grill from Okotoks covering all 17 courses and drinks can be found here on the food list. Ricky's in Okotoks used to be a top choice, but recent visits have been disappointing. Slow service, poor food quality, and high prices raised concerns. Despite convenience and friendly staff, the overall experience was not worth the risk of an upset stomach. It's best to explore other dining options in the area. Some diners found the food and service to be satisfactory, but the majority of reviews pointed out significant downsides and lack of consistency. It seems that while some customers experienced excellent service and quality, others left feeling let down.
