Yes great [sushi](#), but also great Korean food. Haedabop is a huge bowl of fresh chopped mixed fish and a variety of fresh vegetables. It is a popular order; I see it being delivered to many tables. Sushi offers generous portions of tasty rolls. Everything is delicious, service is great and the price is right. [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather, And into the accessible rooms also come customers with wheelchairs or physical disabilities. What [User](#) doesn't like about Hamaru Sushi:

I thought it was strange that the lunch special on the board outside was not really special at all, just something that was on the regular menu at the same price. Guess everyone has a different logic for doing business.

Anyway, it was a nice...meal, great service and the place is nice enough. could be a little cleaner, but its not bad. would have liked to give it a good rating if available, but not worth a Very Good...
