Freshii is the most appropriate place where Vegetarian Torontonians and visitors are to consume such food products purposed for utilisation outside households. Been dining from August 2 2012 to September 25 2012. [read more](#). You can use the WLAN of the restaurant at no extra cost, Depending on the weather conditions, you can also sit outside and eat and drink. What User doesn't like about Freshii:

Visited the St. Claire location for a quick lunch. Was advised by a college that Freshii was a healthy alternative. Honestly, I have had much better for much less. The first attempt was a noodle bowl with vegetables. Barely any vegetables and completely tasteless noodles and tofu. They offered to provide a substitute so I asked for a burrito bowl. The bowl was 90% rice. Beans and other veggies? Helloooo? where are yo... [read more](#). Right now you could possibly be considering healthier eating habits; for those Freshii's menu offers a large assortment of **easily digestible dishes**, It shows that the traditional Canadian menus are well received by the customers of the local. If you have little appetite, you can treat yourself to one of the delicious **sandwiches**, a small salad or another snack, delicious [vegetarian](#) dishes are also in the menu available.
