I've gone to McSorleys with my son and his family many times. The food is quite good; its kid friendly, with t.v.'s visibly placed so that you can eat and watch a game at the same time. Peanuts shells on the floor, very casual and very popular with families and sports fans. If you want a quiet dinner out this isn't for you. [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physiological disabilities, and there is no-charge WLAN. If the weather are right, you can also have something to eat outside.

What [User](#) doesn't like about McSorley's Wonderful Saloon and Grill:

Visited this restaurant for breakfast/brunch at 9:30 on a Saturday morning. Service was largely disinterested in us being there and finally brought us some menus after 15 minutes. Food was awful. Sausages smelled like old socks and pancakes were dry and tasteless. We will not be eating here again for breakfast. Not really a "wonderful" place overall. Good luck finding parking as it is not worth it! [read more](#). McSorley's Wonderful Saloon and Grill from Toronto is the perfect place if you want to try fine American meals like burgers or barbecue, In addition, the latest games or races can be watched on the big TV in this sports bar, which the visitors also love. Sometimes you may not want to eat a lot, in this case one of the scrumptious sandwiches, a healthy salad or another snack is just right, Also, you shouldn't miss out on the crispy and crunchy pizza, traditional freshly baked in a wood oven.
