Here you can find the [menu](#) of **Gonoe Sushi** in Toronto. At the moment, there are **21** courses and drinks on the card. Located near a tourist area, this restaurant offers prompt service and good food at reasonable prices. While portions may be small, the overall experience is perfect for a pre-game meal. Quality of service, however, varies widely, with some diners reporting slow, snooty staff. Issues with food quality have also been raised, with some customers complaining about smelly sushi. On the contrary, others have enjoyed fresh and delicious dishes, particularly praising the tempura and chicken teriyaki. Despite some inconsistencies, most diners appreciate the friendly service and fresh ingredients, making it a worthwhile spot for a casual meal near the hotel or convention center.
