This restaurant is a little difficult to find tucked in off the street but does it ever have great food and very reasonably priced. The tempura lunch box was very good with ample portions of everything. I will be returning for sure. [read more](#). The restaurant also offers the possibility to sit outside and eat in beautiful weather. What [User](#) doesn't like about Oyshi Sushi:

Stopped in for lunch with family. We are big lovers of sushi and Oyshi was ok but we found the spicy, salmon, lobster and tuna maki odd as the filling looked like it had been puréed. The fish taste was lost in the delivery. However nothing wrong with quality and service. Yellow carpet roll and scallop roll were very good. 5 min walk from Westin harbour castle hotel. Restaurant is very clean with private booths. [read more](#). In the Oyshi Sushi from Toronto, a lot of fresh vegetables, fish, and meat are used to prepare healthy, fine Japanese menus. Furthermore, the visitors love the creative combination of different meals with new and partially experimental ingredients - a good example of successful Asian Fusion. After the meal (or during it), you can also relax at the bar with a **alcoholic or non-alcoholic drink**. You shouldn't miss the opportunity to try the crispy and crunchy pizza, baked fresh in a traditional manner.
