This review is based on my love of real Italian espresso on Saturday mornings while running errands in my neighborhood. Sometimes you just don't need or want all the fancy trappings of a Starbucks or Second Cup. This local business offers friendly fast service; take out, drink inside or on the sidewalk and watch the sights and sounds of the Danforth! [read more](#). At T & M Sidewalk Cafe, a place with Italian menus from Toronto, you can enjoy original Italian cuisine, including classics like **pizza and pasta**. Moreover, you save time with the assortment of already finished *delicacies*, without having to accept losses of pleasure. In addition to simple snacks, sweet pieces and cakes, we also serve cold and hot drinks.
