What [User](#) likes about Toucheh: The food, service, ambiance is always top notch. The menu has changed slightly but that is for the better as well. Prices a little bit higher but that was to be expected with all renovations etc. The only drawback is parking in this area, Expanded...More [read more](#). In beautiful weather you can even be served in the outdoor area. What [User](#) doesn't like about Toucheh:

The food was so-so, in part because we were hoping for Persian choices but these were limited. Considering that there are many better Italian restos in this city, I think it should ramp up its Persian side in order to provide something special. The place was full and the noise level made conversation impossible -- simple attention to soundproofing measures would address this. [read more](#). A visit to Toucheh is particularly valuable due to the comprehensive selection of coffee and tea specialties, the restaurant offers also menus from the [European](#) environment. Look forward to the enjoyment of **scrumptious vegetarian dishes**, In addition, the **delectable desserts** of the local shine not only in the eyes of the little guests.
