What [User](#) likes about Sushi St-Denis: Placed near downtown Montreal, almost 15 minutes walk from "View Port", delicious variety of sushi and other seafood, even beef and chicken, "all you can eat" at reasonable price, but not well organized service! They forgot orders easily!, take a picture of your order paper to remind yourself! [read more](#). When the weather conditions are nice you can also be served outside. What [User](#) doesn't like about Sushi St-Denis: Terrible service, probably half of our order arrived at the table. The food was decent. We could not pay with a debit card, as the waiter claimed his machine would not accept it and would not even let us try it (our cards worked fine everywhere in Montréal), so we could not split the bill as our group wanted to. A 15% tip is automatically included in the bill, which is pretty shocking given the quality of the service.... [read more](#). With a lot of fresh vegetables, fish and meat, the Sushi St-Denis from Montréal prepares healthy, fine Japanese dishes. At the bar, you can unwind with a cool beer or other alcoholic and non-alcoholic drinks. Undoubtedly, the highlight of this place is the delicious *Sushi such as Maki and Te-Maki*. The successful fusion of different menus with fresh and partially daring ingredients is highly valued by the guests - a nice example of Asian Fusion.
